

Personal Use License

BY VULTYPE COMPANY

License agreement

Buying Vultype fonts is actually buying a perpetual licence to use the fonts commercially. Your fonts can be downloaded immediately upon payment, and your personal licence can be supplied via email. The User must always ensure that the Fonts installed are protected against all means of unauthorized access or against unauthorized use. The User are not permitted to use fonts for purposes that are not in accordance with the license purchased.

The logo for Vultype Co. is written in a white, elegant, cursive script font. The word "Vultype" is on the top line, and "Co." is on the bottom line, positioned to the right of the end of "Vultype". The letters are fluid and connected, with a classic, handwritten feel.
