

JIMTYPE STUDIO
FREEBIE DESKTOP LICENSE

Thanks for downloading!

This font is made for personal and commercial purposes based on Jimtype Studio' freebie desktop license.

Permitted Uses:

- Install the Font on up to two (2) computers or work stations only, provided that both computers or devices are owned by you.
- Install the Font on a networked server in an office, provided that each client accessing the Font has purchased a license.
- Use the Font in personal projects
- Use the Font in up to 150 commercial item sales. Should you require more than this, please contact us to buy the appropriate license.
- Use the Font Software for designing and creating (un-editable) invitations, business cards, logos, branding, greeting cards, marketing materials, packaging designs, static (flattened) images on websites, apparel, books, and stationery.
- Enjoy unlimited prints, media copies, and duplicates of your product in personal projects. Freebies are regulated by our Terms and Conditions and are limited to 150 item sales.

- Enjoy unlimited web page impressions using flattened images. If you would like to use the Font Software as a live web font you will require a web font license. Please contact us for more information.
- Broadcast the Font Software on TV, Video, Motion picture, and Digital Advertising to a maximum of 30 viewing minutes per year. (Send us an email to hi@jimtypestudio.com if you need to extend this or have any questions).

YOU CANNOT

- Resell the font on market.
- Use the Font for giveaway or promotion.
- Open, edit, or modify fonts.

Need a license for big sales, many users, or a business purpose?

You can contact us directly:
