About the Designer

Freshid Sans Serif Condensed is designed by **Waftype**, an independent type foundry focused on creating clean, functional, and modern typefaces. WafType explores simplicity, readability, and strong visual character, making fonts suitable for branding, editorial design, posters, and digital use.

About the Font

Resmont is a sans serif font inspired by product packaging from the 1960s, blended with a modern tech style. It brings together retro charm and a clean contemporary look, creating a balanced and timeless typeface. This font family includes 10 styles, making it flexible and easy to use for many kinds of projects. Resmont works perfectly for logos, branding, posters, packaging, magazines, and digital designs. Simple, versatile, and stylish Resmont is a great choice if you want a font that feels
